Nuachtlitir Samhain 2020: November Newsletter 2020

Halloween Celebrations: Friday, 23rd October

The children dressed up in their costume of choice on Friday the 23rd of October. All children looked fantastic and very spooky!

Junior & Senior Infants

Senior Infants & 1st Class

2nd & 3rd Class

4th, 5th & 6th Class

Maths Week: Seachtain na Mata 12th – 18th October.

Maths Week is a week-long celebration of all things maths! The children participated in fun maths activities each day. **Maths Week** provided a great opportunity to get creative with how the children learn and have fun with maths.

Junior & Senior Infants: 2D Shapes

Science Week: 9th-13th November

Shake!

Shake!

Shake!

Junior & Senior Infants: Making butter by hand and eating it with some bread.

Senior Infants & 1st Class: Rainbow Milk Science Experiments

Erupting Lemon Volcano Experiment **Skittles Rainbow Experiment**

2nd & 3rd Class: Rain Gauge Science Experiments

Science Week- Slime Experiment

4th, 5th & 6th Class: Investigating how osmosis occurs in de-shelled eggs.

The boys and girls in Senior Infants & 1st class wrote to the residents of Blackrock Nursing Home and were delighted to receive a card in return. A very kind gesture from the pupils!
